

DATA WAIVER STATEMENT

I, hereby agree to the following terms and conditions related to my use of the services/products of R-Logic International Pte Ltd (“**R-Logic**”).

1. R-Logic will only perform and provide the services and repairs that have been set out in their Terms and Conditions that I have duly agreed to upon applying for the said services through their website and/or kiosk.
2. I agree that the services and repairs that I have agreed to, to be carried out by R-Logic will result in data loss.
3. Pursuant to the above, I confirm that the back-up of the data in my laptop is my sole responsibility, and that if I wish for my data to be restored after the service/repair by R-Logic, I have done the necessary to back-up the said data and will be responsible for restoring the data into my laptop.
4. I understand that R-Logic will not be responsible to save any data in my laptop and the service/repair that I have applied for does not include any service and/or condition that R-Logic makes any effort to save my or any data in my laptop. R-Logic will not be held liable for any loss of data in my laptop.
5. I voluntarily and knowingly limit and exclude any liability on your part related to any loss, damage or unauthorised access to my data.
